GentleHarvest

Ayrshire Farm®

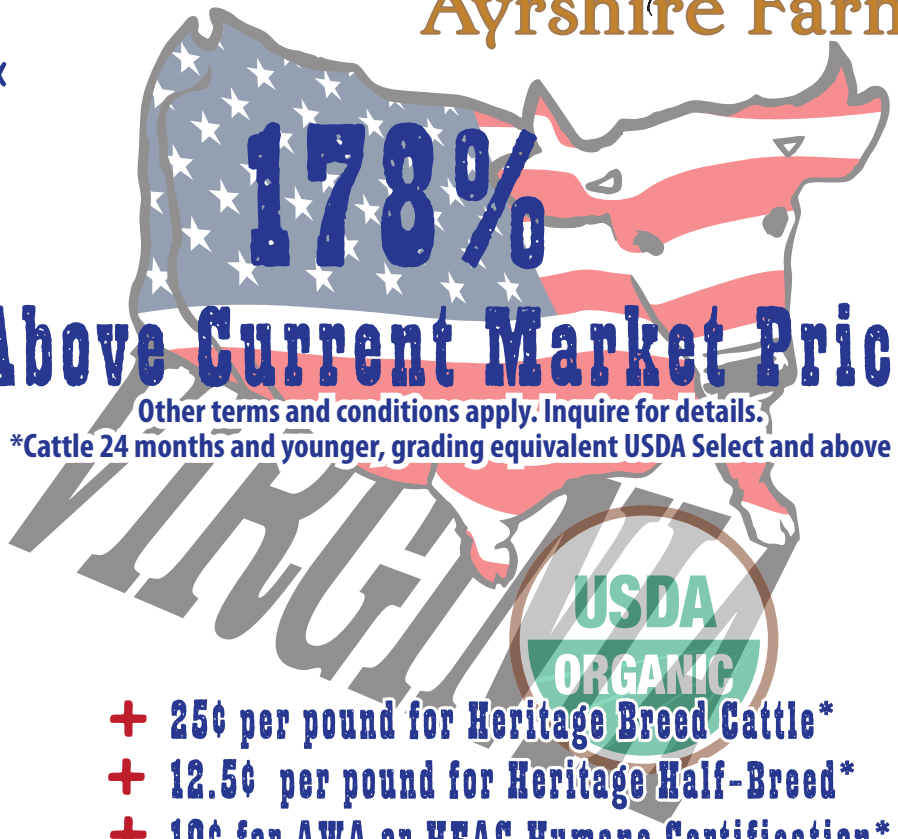
+ We pay 178% above current carcass-class market price for USDA-certified organic beef: steers, heifers, young stock, and cull cows.

+ We own and operate a USDA- inspected, humane-certified slaughter facility, and can pick up and transport your cattle for you.

+ We can help you obtain transition status for your farming enterprise and achieve organic status.

+ If you have a clean three- year Schedule F, we can help fast-track organic certification for your herd.

+ We can help you with humane and organic record-keeping requirements, organic herd management, and proven, pedigree heritage-breed bulls.



Other terms and conditions apply. Inquire for details.
