Food Recommendations:

The number one recommendation would be Sugar Hill Brewery in St Paul. They source their beef locally, and the must-try is the deep fried pimento cheese balls. It's about a 30 minute drive from Lebanon.

For breakfast, the local favorite is Pat's Diner in Lebanon.

For lunch, Restore Community Coffee or Stone Cellar (both in downtown Lebanon). They have similar lunch menus that consist of soups, salads, and sandwiches. Stone Cellar is not open on weekends.

Other than that, the area has Bonanza and Tokyo, which has large portions of Japanese food at very reasonable prices!
